PROFILE SUMMARY

Computing undergraduate at the University of Sri Jayewardenepura with practical experience in requirements gathering, business process analysis, project coordination, and software development through academic and collaborative projects. Skilled in analyzing business needs, documenting functional requirements, preparing project documentation, and supporting solution design using structured analytical approaches. Experienced in collaborating within multidisciplinary teams, managing project timelines, coordinating tasks, and delivering high-quality outcomes in deadline-driven environments. Strong analytical, communication, problem-solving, and organizational skills, with the ability to adapt quickly to new technologies, tools, and methodologies. Passionate about leveraging technology to solve real-world problems while continuously developing technical expertise, leadership, and strategic thinking.

EDUCATION

Bachelor of Computing Honours in Information Systems <i>Faculty of Computing, University of Sri Jayewardenepura</i>	2027 (Expected) Sri Lanka
G.C.E. Advanced Level (Commerce Stream) <i>Matara Central College</i>	2021 Matara
• Accounting – A • Business Studies – A • Information & Communication Technology (ICT) – B	

TECHNICAL SKILLS

Programming Languages Java, Python, JavaScript, PHP, Kotlin	Software Engineering Object-Oriented Programming (OOP), Software Development Life Cycle (SDLC), Agile Methodologies (Scrum)
Business & Analysis Requirements Analysis, Business Process Analysis, Functional Documentation	Web Technologies HTML, CSS
Data & Analytics Google Analytics 4, NetLogo	Databases MySQL, MySQL Workbench, MongoDB, Firebase Firestore
Cloud & Backend Services Firebase Console, Microsoft Azure	Development Tools & IDEs Visual Studio Code, Apache NetBeans, Android Studio, Git, GitHub
Modeling & Design UML Diagrams, BPMN, Use Case Diagrams, Entity Relationship Diagrams, Database Design & Normalization, Object-Oriented Analysis and Design (OOAD), Draw.io	Frameworks & Platforms Streamlit
Collaboration & Productivity Microsoft Teams, Canva	

CERTIFICATIONS & TRAINING

Google Analytics Certification Issuer: Google Dates: May 2026 – May 2027	Project Management 101 Issuer: Simplilearn SkillUp Date: April 2025
3-Day AI Bootcamp Issuer: Faculty of Computing, University of Sri Jayewardenepura & Sri Lanka Association for Artificial Intelligence	Machine Learning — One-Day Workshop Issuer: C-Clarke International Institute of Digital Sciences Date: June 2026
